Dear Patient,

Thank you for scheduling your complete physical with us. Your appointment will be on _____ at _____. Please arrive at least 15 minutes early. It is necessary to fast for 12 hours before your visit in order to obtain the most accurate results for your lab work. If you have a medical condition that prohibits you from fasting, please inform us. You may have water or black coffee but no other food or drink. Please avoid wearing any lotions, creams, body oils, or perfumes which may interfere with the attachment of the electrocardiogram leads (if an electrocardiogram is needed). Some insurance companies do not cover complete physicals or only cover on a limited basis. We recommend you confirm your benefits with your insurance company prior to your visit. Enclosed is a questionnaire to fill out before your visit. Please call us at the above number if you have any questions and we look forward to seeing you soon.

Sincerely

David S. Boaz, M.D.

Mark Glodener, M.D.

And the Staff at South Forsyth Family Medicine and
Pediatrics.
